

## School Readiness Programme

Our school readiness programme is designed for children with learning difficulties, Autism Spectrum Disorders (ASD), Attention Deficit Hyperactivity Disorder (ADHD), Down's syndrome or language delay. The programme targets school readiness skills which include: physical, cognitive, social and emotional competence, as well as a positive attitude towards learning. Our school readiness programme is lead by a child psychologist and is based on a combination of Applied Behavioural Analysis (ABA), speech & language, occupational therapy, social skills therapy, and parental training skills.

The programme takes into account a child's physical, social, emotional and intellectual development. Aim of the School readiness programme is to develop child's ability and skills that are needed in mainstream schools.

The programme runs Sunday to Thursday 8:30 am to 12:30 pm, for three terms.
